WHAT IS STORY OF THE SEASON?

Story of the Season is an interactive digital magazine and media guide published each week of the season. We collect all the top highlights, photos, interviews and content and publish an interactive digital magazine that gets shared on social media and goes out via email to parents, players, alumni, and fans!

WHY ADVERTISE WITH STORY OF THE SEASON?

Parents, players, and fans can access Story of the Season via email, social media, and QR code banners at games. With your ad embedded in each chapter, we link directly to your website or Facebook. This puts your website in the hands of hundreds of fans and provides direct traffic.
